

Reinforced Internal Pop Up Valve

The Elcometer Internal Pop Up Valves ensure fast pressurisation of Elcometer blast machines. The automatic pressure sealing pop-up valves are fitted with reinforced metal guards, making them very hard-wearing.

Part Numbers

Part Number	Description
MT28622	Elcometer Pop Up Valve with Internal Shaft for use with all Elcometer Blast Machines (x1)
MT28627	Elcometer Pop Up Valve O-Ring (x1)

Spare Parts

Part Number	Description
MT28631-1N	1" (25mm) Pop Up Shaft for Elcometer 1020
MT28631-2N	1" (25mm) Pop Up Shaft for Elcometer 1440
MT28631-3N	1" (25mm) Pop Up Shaft for Elcometer 1460
MT28631-4N	1" (25mm) Pop Up Shaft for Elcometer 20100
MT28631-5N	1" (25mm) Pop Up Shaft for Elcometer 24200
MT28631-6N	1" (25mm) Pop Up Shaft for Elcometer 24285
