

**Reinforced Internal Pop Up Valve**

The Elcometer Internal Pop Up Valves ensure fast pressurisation of Elcometer blast machines. The automatic pressure sealing pop-up valves are fitted with reinforced metal guards, making them incredibly hard-wearing.

**Part Numbers**

Part Number	Description
<b>MT28622</b>	Elcometer Pop Up Valve with Internal Shaft for use with all Elcometer Blast Machines (x1)
<b>MT28627</b>	Elcometer Pop Up Valve Seating O-Ring (x1)

**Spare Parts**

Part Number	Description
<b>MT28631-1</b>	1" (25mm) Pop Up Shaft for Elcometer 1020 (175mm)
<b>MT28631-2</b>	1" (25mm) Pop Up Shaft for Elcometer 1440 (99mm)
<b>MT28631-3</b>	1" (25mm) Pop Up Shaft for Elcometer 1460 (144mm)
<b>MT28631-4</b>	1" (25mm) Pop Up Shaft for Elcometer 20100 (122mm)
<b>MT28631-5</b>	1" (25mm) Pop Up Shaft for Elcometer 24200 (185mm)
<b>MT28631-6</b>	1" (25mm) Pop Up Shaft for Elcometer 24285 (470mm)
